- Never drive or start the cart loudly near a player about to swing.
- Stay away from tee boxes and greens-look for signs or stakes marking cart boundaries.
- Always park a safe distance behind your playing partner's ball-avoid the line of fire.
- When near the green, park at an angle facing the next tee box to keep play moving smoothly.
- Help others find their ball when you're not hitting-don't be 'that guy' who only watches.
